Institute of the International Association for Research and Testing in the Field of Textile Ecology (Oeko-Tex)

The company

Thygesen Fabrics A/S

Industrivej 25

7430 Ikast, Denmark

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 1319876-189-01**

**Tested for harmful substances
according to Oeko-Tex® Standard 100
1176-189 DTI Denmark**

for the following articles:

Undyed raschel fabrics for hosiery on the basis of Oeko-Tex® certified yarns made of cotton, nylon and elastane in various blends.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass)

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested

This authorisation is valid until 31.03.2012

Taastrup, 01 03.2011
